-

35 ready-to-go PowerPoint presentations mirror exactly the NEW HistorySage.com AP U.S. History Lecture REDESIGN Notes.

-

Save yourself hundreds of hours of preparation time with these PowerPoint presentations that are ready to "plug-and-play!"

-

Presentations are streamlined to present the new AP U.S. History curriculum clearly, effectively, and thematically.

-

Each presentation contains its ownÂ original and attractiveÂ historical visual theme that will impress your students--that means 35 different themes in all!

-

Presentations are easy to modify so that you can add your own images and text.

-

Each presentation contains objectives and/or themes to please your administrators and set the context for each subunit.
